

This Sound Engineer has dedicated his life to music and he is constantly pushing himself forward to develop a successful signature sound.

With a extended musical background built over his many DJ-ing years, Jimmy currently holds a residency with KGB, where he rocks hundred of clubbers week after week, while establishing himself as one of the most important DJs in Spain Having conquered the global electronic music scene for over a decade since he was 18 with a strong discography of club hits as a producer, Jimmy Andrews has gained solid recognition in the international house circuit and is now spinning in the best clubs around the world in cities such as: Paris, Barcelona, Miami, Frankfurt and Rio de Janeiro to name a few.

Constantly evolving, this artist continues to work hard in the studio to deliver cutting edge and progressive electronic dance music. As producer is co-owner and founder of **DMS Recordings** making a lot of productions for this label (more info). His tracks with his partner Ralf M have reached the firsts and top positions around the world, including the best clubs, radio stations and music shops. His top production " *I'm Still Alive*" was released in 4 countries (Spain, France, Italy and UK) and remixed for the best DJ's and producers of Spain. **(more info)**
