- **Genre: Latin, Regaeton, 70s, 80s, 90s, Dance, Classics Remixed, Deep House, Nu-Disco.**

Multipurpose DJ in terms of different musical styles. He is used to work in different environments, offering music variety and guaranteeing success in any session.

With more than seventeen years of experience. Tommy has been influenced by the 90s electronic music, getting his sessions end up being eclectic, and given diversity of styles that can come to play in a single session.

Biography:

Tommy is currently Resident DJ at Wafi, where he combines sessions of latin and regaeton music at the mythical Spanish Lounge "Seville´s", and also at "Carter´s" where he mixes the best actual commercial music with classics from 80s 90s 00s and Deep House.

Nowadays, he is combining his DJs residencies with the job of *Sound Technician* at Wafi´s events.

Previously in UAE he was resident DJ at "Toro Blanco" (*The World Island*), "One and Only" (*The Palm*), "Ritz Carlton" (*Abu Dhabi*), "GuGu Boat" (*Dubai Marina*), "Penthouse 25" (*JA Ocean View*).

In Spain, he was *Specka´s* resident DJ, the most iconic night club of electronic music in Madrid (Techno, House, Trance...), along with other DJs as Jeff Mills, Carl Cox, Oscar Mulero, Cristian Varela...

He combined that DJ residency with "*Japanese Club*" (Madrid), a reference *lounge club*, where he offered sessions of House and Deep House, mixed with *live sets* (violinists, percussionist, saxophonist).

Tommy was also teacher of solfeggio (initial phase) and djing in Madrid.
